Curling Leagues will start the week of Oct. 18th

NOTICES DUE TO COVID 19 RESTRICTIONS:

The Fort Saskatchewan Golf & Curling Club has implemented the Restriction Exemption Program. Prior to the start of league play, EVERY curler will be required to:

- Sign a Waiver form (accepting the physical and legal risks of the sport)
- Sign the Covid-19 Declaration of Compliance form
- Sign Vaccination Status Member Consent Form
- 18+ years will have to provide proof of vaccination (1st dose administered no later than Oct 4th; double dose by Oct. 25th) OR official medical/religious exemption letter (original - no photocopies) OR Negative Covid test from a privately paid test received within last 72 hours prior to entering facility
 - These vaccination records, exemption letters, or negative Covid test results will not be stored by the club. Once verified by office staff, paper copies will be shredded, and electronic copies will be permanently deleted. Participant's compliance will be marked as verified in our database

Spectators, spares, golf simulator customers or any curlers (aged 18 and over) not registered in a league who are entering the curling rink will also be required to show proof of vaccination, negative Covid test or medical/religious exemption letter as mentioned above.

Youth 12 – 17 years of age will NOT be required to have proof of vaccination as part of the Restriction Exemption Program regardless of whether they are participating in a youth of adult league or program.

Additional rules/guidelines due to Covid will be communicated prior to start of curling season (website, emailed to our curling distribution lists) as we are receiving additional information daily from AHS and Alberta Curling related to the Restriction Exemption Program.
